<ul style="list-style-type: none"> • I love that the instructor is organized that we have almost all of the readings already available at the beginning of the semester. • I think instructor is very kind, lovely , nice and helpful. What is more, she is tolerant and respect for different kinds of views. • I think the overall course was structured well with the readings chosen and how we were expected to engage with them. 	

16 - Make a suggestion(s) for improving the course (a criticism alone is not helpful; tell your instructor how you would fix any problem).

<ul style="list-style-type: none"> • I can see the benefit of having graduate students give presentations in this course, but I think it might be better to have more time when the instructor is lecturing. I feel like I gain a lot from her lectures, and I would like to hear her more often. • I think instructor could be treat the handout of our presentation more strictly. 	

17 - The instructor challenged me to do my best work.
